

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRBs0413/1dn
ARG:jld:ph

March 12, 2012

ATTN: Libby Muller

The attached substitute amendment incorporates the many provisions that you provided with your instructions. These provisions are very similar to provisions of 2005 SB-268. However, 2011 AB-582 includes a definition of "cash price" and 2005 SB-268 did not, so created s. 420.04 (2) in the attached substitute amendment utilizes this definition to achieve the same result as the proposed language that you provided.

I also note that this substitute amendment does not include the text of AA1 to 2011 AB-582, since that was not part of the instructions.

Please let me know if you would like any changes made.
